# WHY KNORR PASTA?

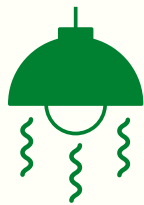

## Double cook. Zero compromise

Cook ahead, chill and reheat in just 2 minutes. Save time, reduce waste, and stay service-ready.

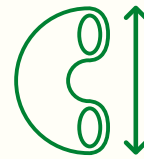

## Consistent. Versatile. Professional

Whether you're feeding a crowd in education, healthcare, hospitality, or beyond, our pasta delivers reliable results across dishes and formats – from bake trays to salad bars.

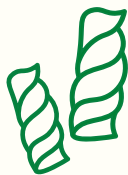

## Reliable under pressure

Designed for bain-marie stability, our pasta maintains its texture even under heat lamps—making it ideal for long service in any high-demand environment.

## Engineered for kitchen efficiency

Our lasagna sheets are designed to fit gastronorm trays for batch cooking - no trimming, no waste. Our macaroni's deep ridges and larger shape hold sauces perfectly.

## Retains its bite – even after 4 minutes of cooking

Backed by extensive legal research, our pasta is proven to stay firm, delivering confidence with every plate.

## Premium quality, authentic origin

Made in Italy with 100% durum wheat, our pasta delivers the authentic taste and firm texture you'd expect from a truly premium product.

## Non-stick performance for effortless handling

No clumping or sticking – just smooth, consistent results from prep to plate.

## Plant-Based

100% vegan, meeting the needs of today's diverse dietary requirements with ease.
